

We Were Created

1. God created man in his image; in the divine image he created him; male and female he created them. God looked at everything he had made, and he found it very good.

In the beginning was the Word; the Word was in God's presence, and the Word was God. He was present to God in the beginning. Through him all things came into being, and apart from him nothing came to be. Whatever came to be in him, found life, life for the light of men. The light shines on in darkness, a darkness that did not overcome it.

2. I am, a living breathing soul created by a Supreme Being. The Creator gave me unalienable rights that cannot be transferred to another or taken away. These rights belong to me because I am.

3. The Right to Life, Liberty and Happiness. My rights are so basic that the founding fathers embodied them into the earliest documents written for this new country – the united states of America.

Seventy-four delegates were named, but only 55 attended and 39 signed. Of the 39, only 13 may have been in office replaced at the time of the signing. To be lawful, all 13 states and all delegates must sign. **THUS FRAUD** [began] was committed in.

In that same year the former States of the Republic [*Colonies*] reorganized as Corporations and their legislatures wrote new State Constitutions and brought forward corporate seals, absent defined boundaries, which they presented to the people of each State for a vote. [*Remember your Jural Assembly and how you each voted to bring forth the original “intent” of that first written state constitution and seal. Our paperwork is the identical procedure of the founding framers to make certain our actions and documents are lawful.*] The people were fraudulently made “Citizens of the United States”.
